1. **55 Gisburn Road:** The plan is to complete 2nd May 2016.
2. **Bowling Pavilion Toilets:** Sometime between Sunday 17th April and Monday 18th April, someone smashed the coin operated system and probably stole less than £10 whilst doing £2500 worth of damage. The Clerk has reported the matter to both the Police and Pendle Borough Council.
3. **Defibrillators:** Cllr. Jackson is going to find some information on defibrillators and would like the item added to the May agenda.
4. **Parish Newsletter:** It is hoped to produce a newsletter for delivery in mid-May highlighting the Neighbourhood Plan and other recent events.
5. **Annual Meeting with the Electorate and AGM of the Council:** This years will take place on the 18th May 2016.
6. **May GP Meeting:** Due to insufficient items and given that it is the day before the local elections the Clerk recommends that the GP Meeting in May is cancelled.
