

**Intermediate review questionnaire for the year ended 31 March 2017**

**Income or expenditure greater than £200,000, mandatory completion**

The intermediate review is undertaken to obtain evidence, where additional risk is identified relating to those, with higher levels of activity or expenditure or those selected as part of a 5% sample of basic reviews.

Barrowford Parish Council have received the intermediate review questionnaire because Barrowford Parish Council's income or expenditure was greater than £200,000 last year.

If Barrowford Parish Council's income or expenditure for the year ended 31 March 2017 is greater than £200,000 this form must be completed as it forms part of the review. Please complete the form, provide the evidence requested and return it with your annual return and supporting information by the submission date.

If Barrowford Parish Council's income or expenditure is no longer greater than £200,000 you are not required to complete this form but you must inform us so that we can update our records.

**IMPORTANT:**

The intermediate review questionnaire ("IRQ") is a standard document that forms part of the review. The annual review letter clearly states that completion of this form is required. If you do not complete and return the "IRQ" with the annual return we will not be able to complete the review. The auditor will request completion of the "IRQ" and a charge will be added to the standard fee on completion of the review.

If the form is completed incorrectly and/or any supporting documentation is not included without stating a reason, the auditor will request this information again and a charge will be added to the standard fee on completion of the review.
